Are you looking for reliable components for electrical and electronic connection technology?

Products that comply with international standards, offer world-wide availability and fulfill your application specific requirements?

Then you are in good hands with CONTA-CLIP Inc.!

Conta-Clip Inc, USA is a subsidiary of the German CONTA-CLIP Group and partner of the German companies Pflitsch & Wiska. We offer you high quality products, professional service, and US based stock. We see ourselves as your partner and solution provider. Customers have trusted in us for more than 20 years.

Contact your local Sales Rep. to see how CONTA-CLIP can provide solutions for your connection needs.

Advantage online:
the CONTA-CLIP Online Catalogue

No matter where you are, as long as you're online you can access our digital catalogue to view our service portfolio and quickly identify suitable solutions for your requirements.

Fast results Use the full-text search, enter a part number or use the convenient "step-by-step" feature search function.

Project planning at a glance: After you've selected the products, all the master data for the materials (sales data, technical data, drawings, connection diagrams, classifications and approvals) are made available as a data sheet or export file.

Detailed inquiries about components can be sent via the shopping cart directly to our headquarters. Upon request, you will receive an e-mailed copy of your inquiry.

Application videos: Complex functions are explained easily and clearly with images and examples.

Printed catalogue: Would you like an offline overview? Please ask for our free printed catalogues.

Cable bushing for cables with & without plug

IP66

Add flexibility to cable management systems

KDS-FP
Cable bushing for cables with flange plate solution

IP66

Easy installation with external mounting

KDSI-SR
Cable bushing for cables with & without plug

IP66

Metric threads with KDS modularity

KDS-R
Separable cable bushing for cables with plug

IP66

Ideal for compact, high cable density applications

KES
Cable bushing for cables without plug

IP66

Ideal for compact, high cable density applications

KES-R
Cable bushing for cables without plug

IP66

Entry systems for flat cables with IP66 seal
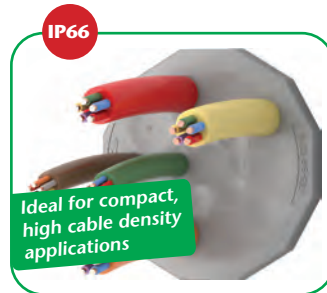

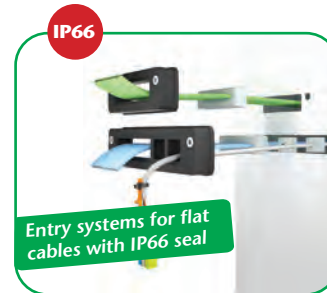

KDS-FB
Cable bushing for flat ribbon cable with & without plug

PCB Terminals
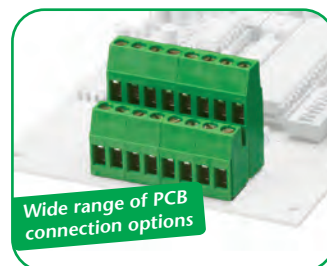

Wide range of PCB connection options
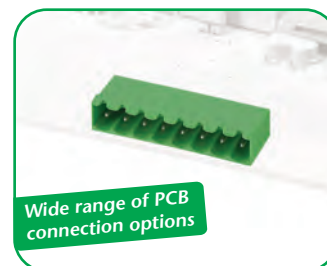

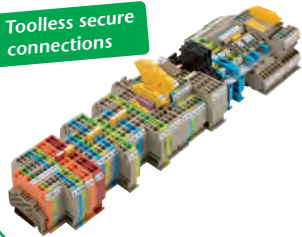

PBK/STL
PCB plug-in connectors

CABLE CONNECTION/TERMINALS
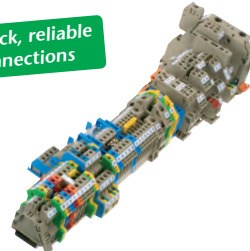

Screw-less design saves time and money

ZRK
Spring Clamp Connection

Toolless secure connections

FRK/PRK
Push-In Clamp Connection

Quick, reliable connections

SRK/RK
Screw Clamp Connection
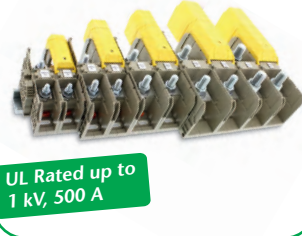

UL Approved, Distribute power in a compact space

SVB/SVBA
Power Distribution Blocks

Insulated, Uninsulated
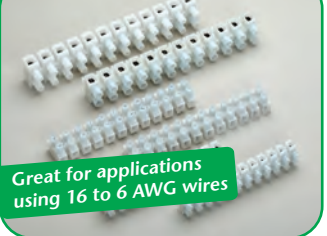

Ferrules

UL Rated up to 1 kV, 500 A

HSK/HSKG
Stud Terminal Blocks

Direct mount feed through terminals

BKA
Modular terminal block

Great for applications using 16 to 6 AWG wires

CS/CSF
Terminal Strips

Terminals UL rated up to 600 V, 85 A

SDK
Feed-Through Terminals

Broad offering for a wide range of applications

SAB/SSAB/SABK
Shield Connection Clips

Modular Design

PTKS Transformer Terminals
