

INNOVICTA

ELECTRONICS

ABOUT OUR COMPANY

With offshore facilities located at China, Taiwan, and Southeast Asia, services with quick turn-over is reality for Invicta Electronics headquartered in California, where immediate design support comes from the source.

About Company

30+

Years of experience have proved our credibility and quality in front of our customers and clients.

1000+

Employees have supported our effort to provide the best with their professionalism and improved skills.

97%

Customers' and clients' satisfaction should be well taken care of, even better if we can improve it.

VISION & MISSION

VISION

To provide the best customer service possible.
Deliver our magnetic solution to the world through service

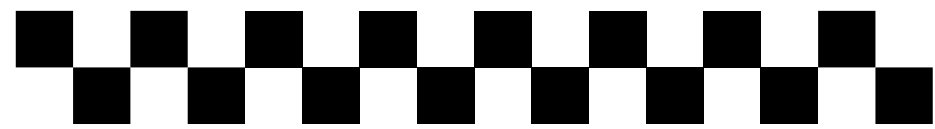

MISSION

To provide accessible, high-quality magnetic products and solutions to our clients

OUR COMPANY

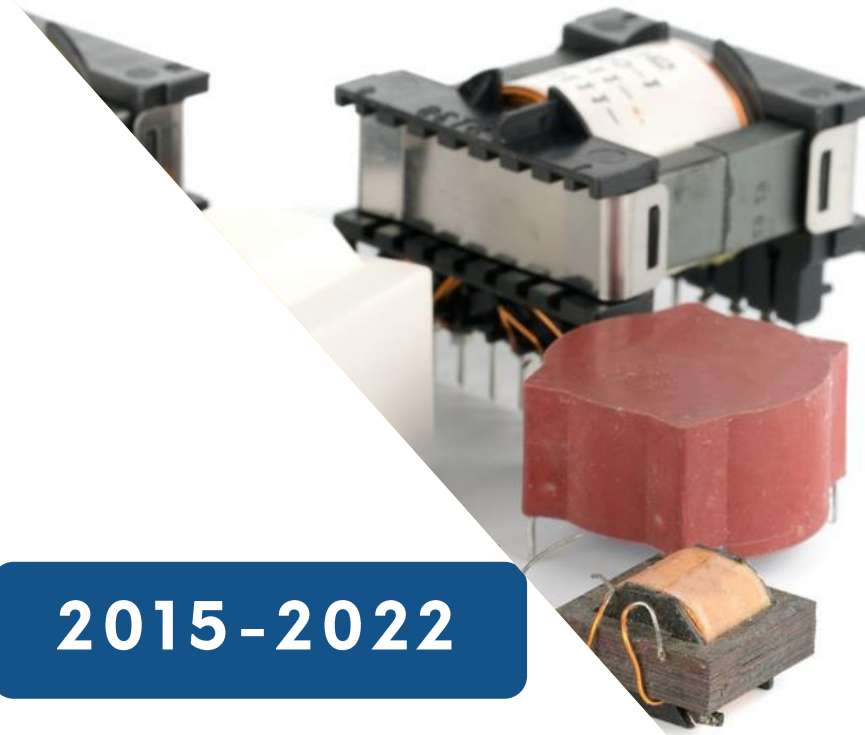

VALUE

With 30+ years of designing and manufacturing high-caliber magnetic components, Invicta values strong relationship with our clients, providing precision engineered components with unparalleled quality and efficiency.

INVICTA MILESTONE

Invicta Electronics Inc established

1986

- Guang Dong Province facility established
- Jiang Su Province transformer factory established
- Singapore sales office established

- Invicta Germany sales office established
- IATF16499 approved
- Invicta Vietnam sales office established

2015-2022

Southeast facility established

1990-1996

- Invest Dongguan inductor and lan transformer manufacturer
- Invicta Europe sales office established
- Guang Dong Province new transformer facility established

2011-2012

- Approved vendor for Flexpower and Apple charger
- Jiang Su Province inductor facility established

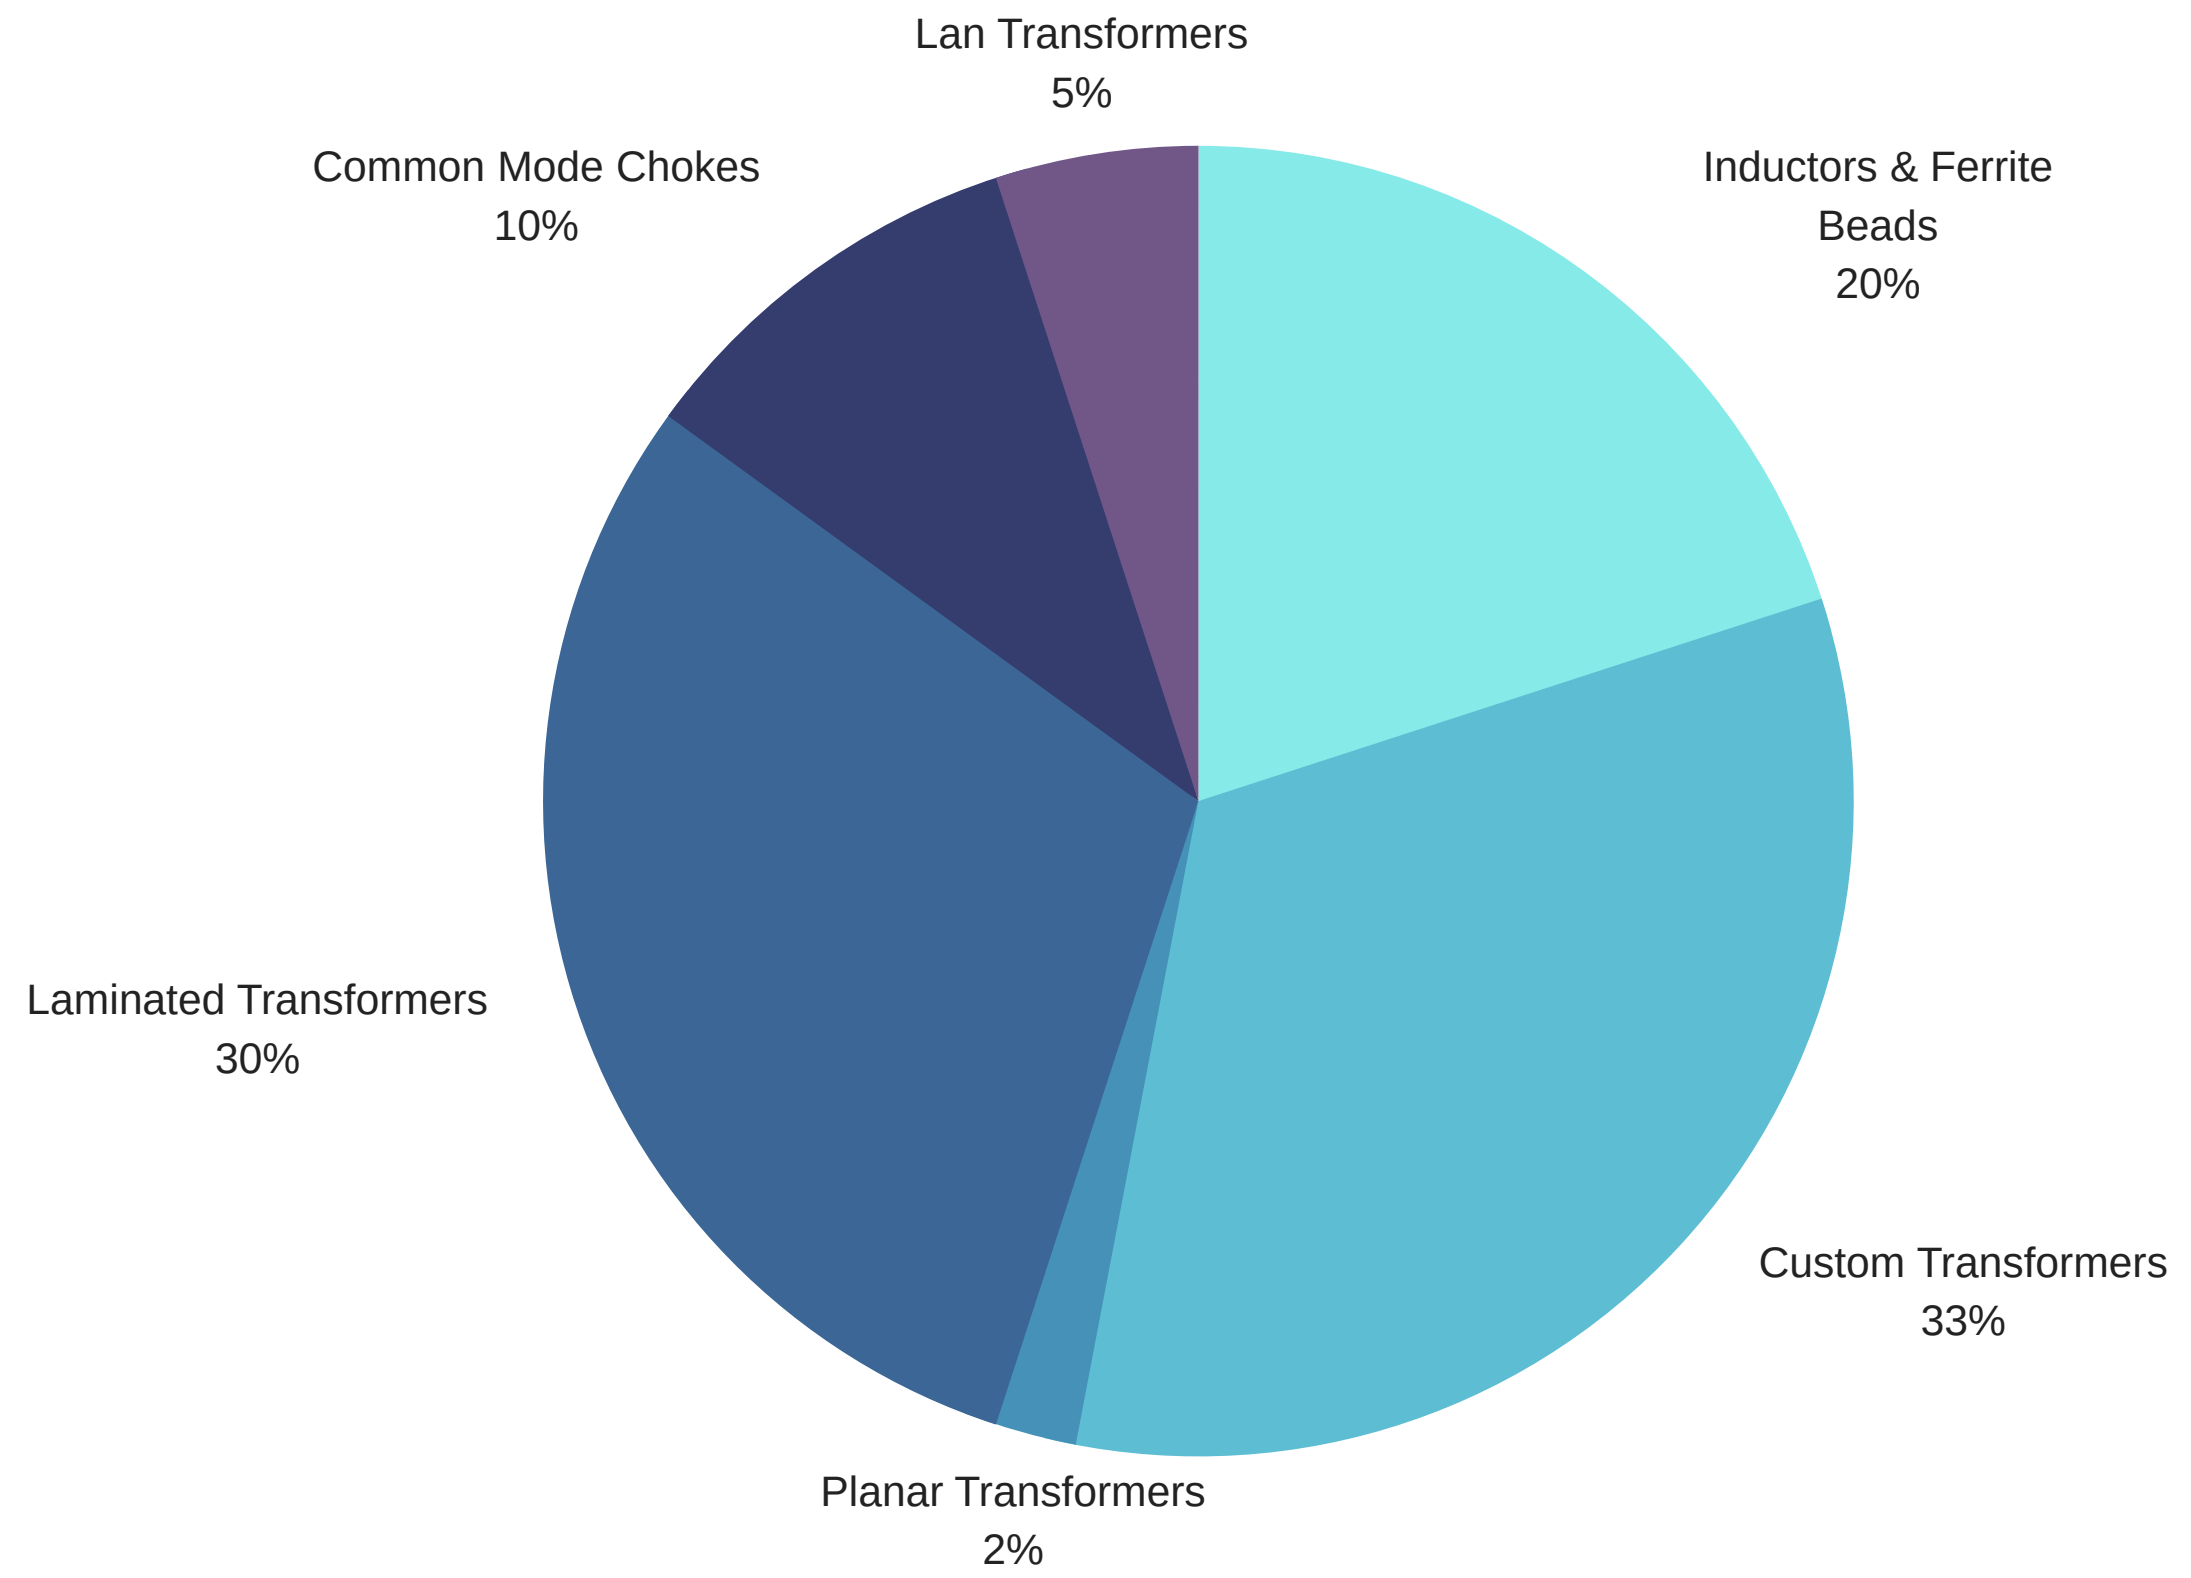

1997-2005

2007-2010

PRODUCT SEGMENT

Key Products

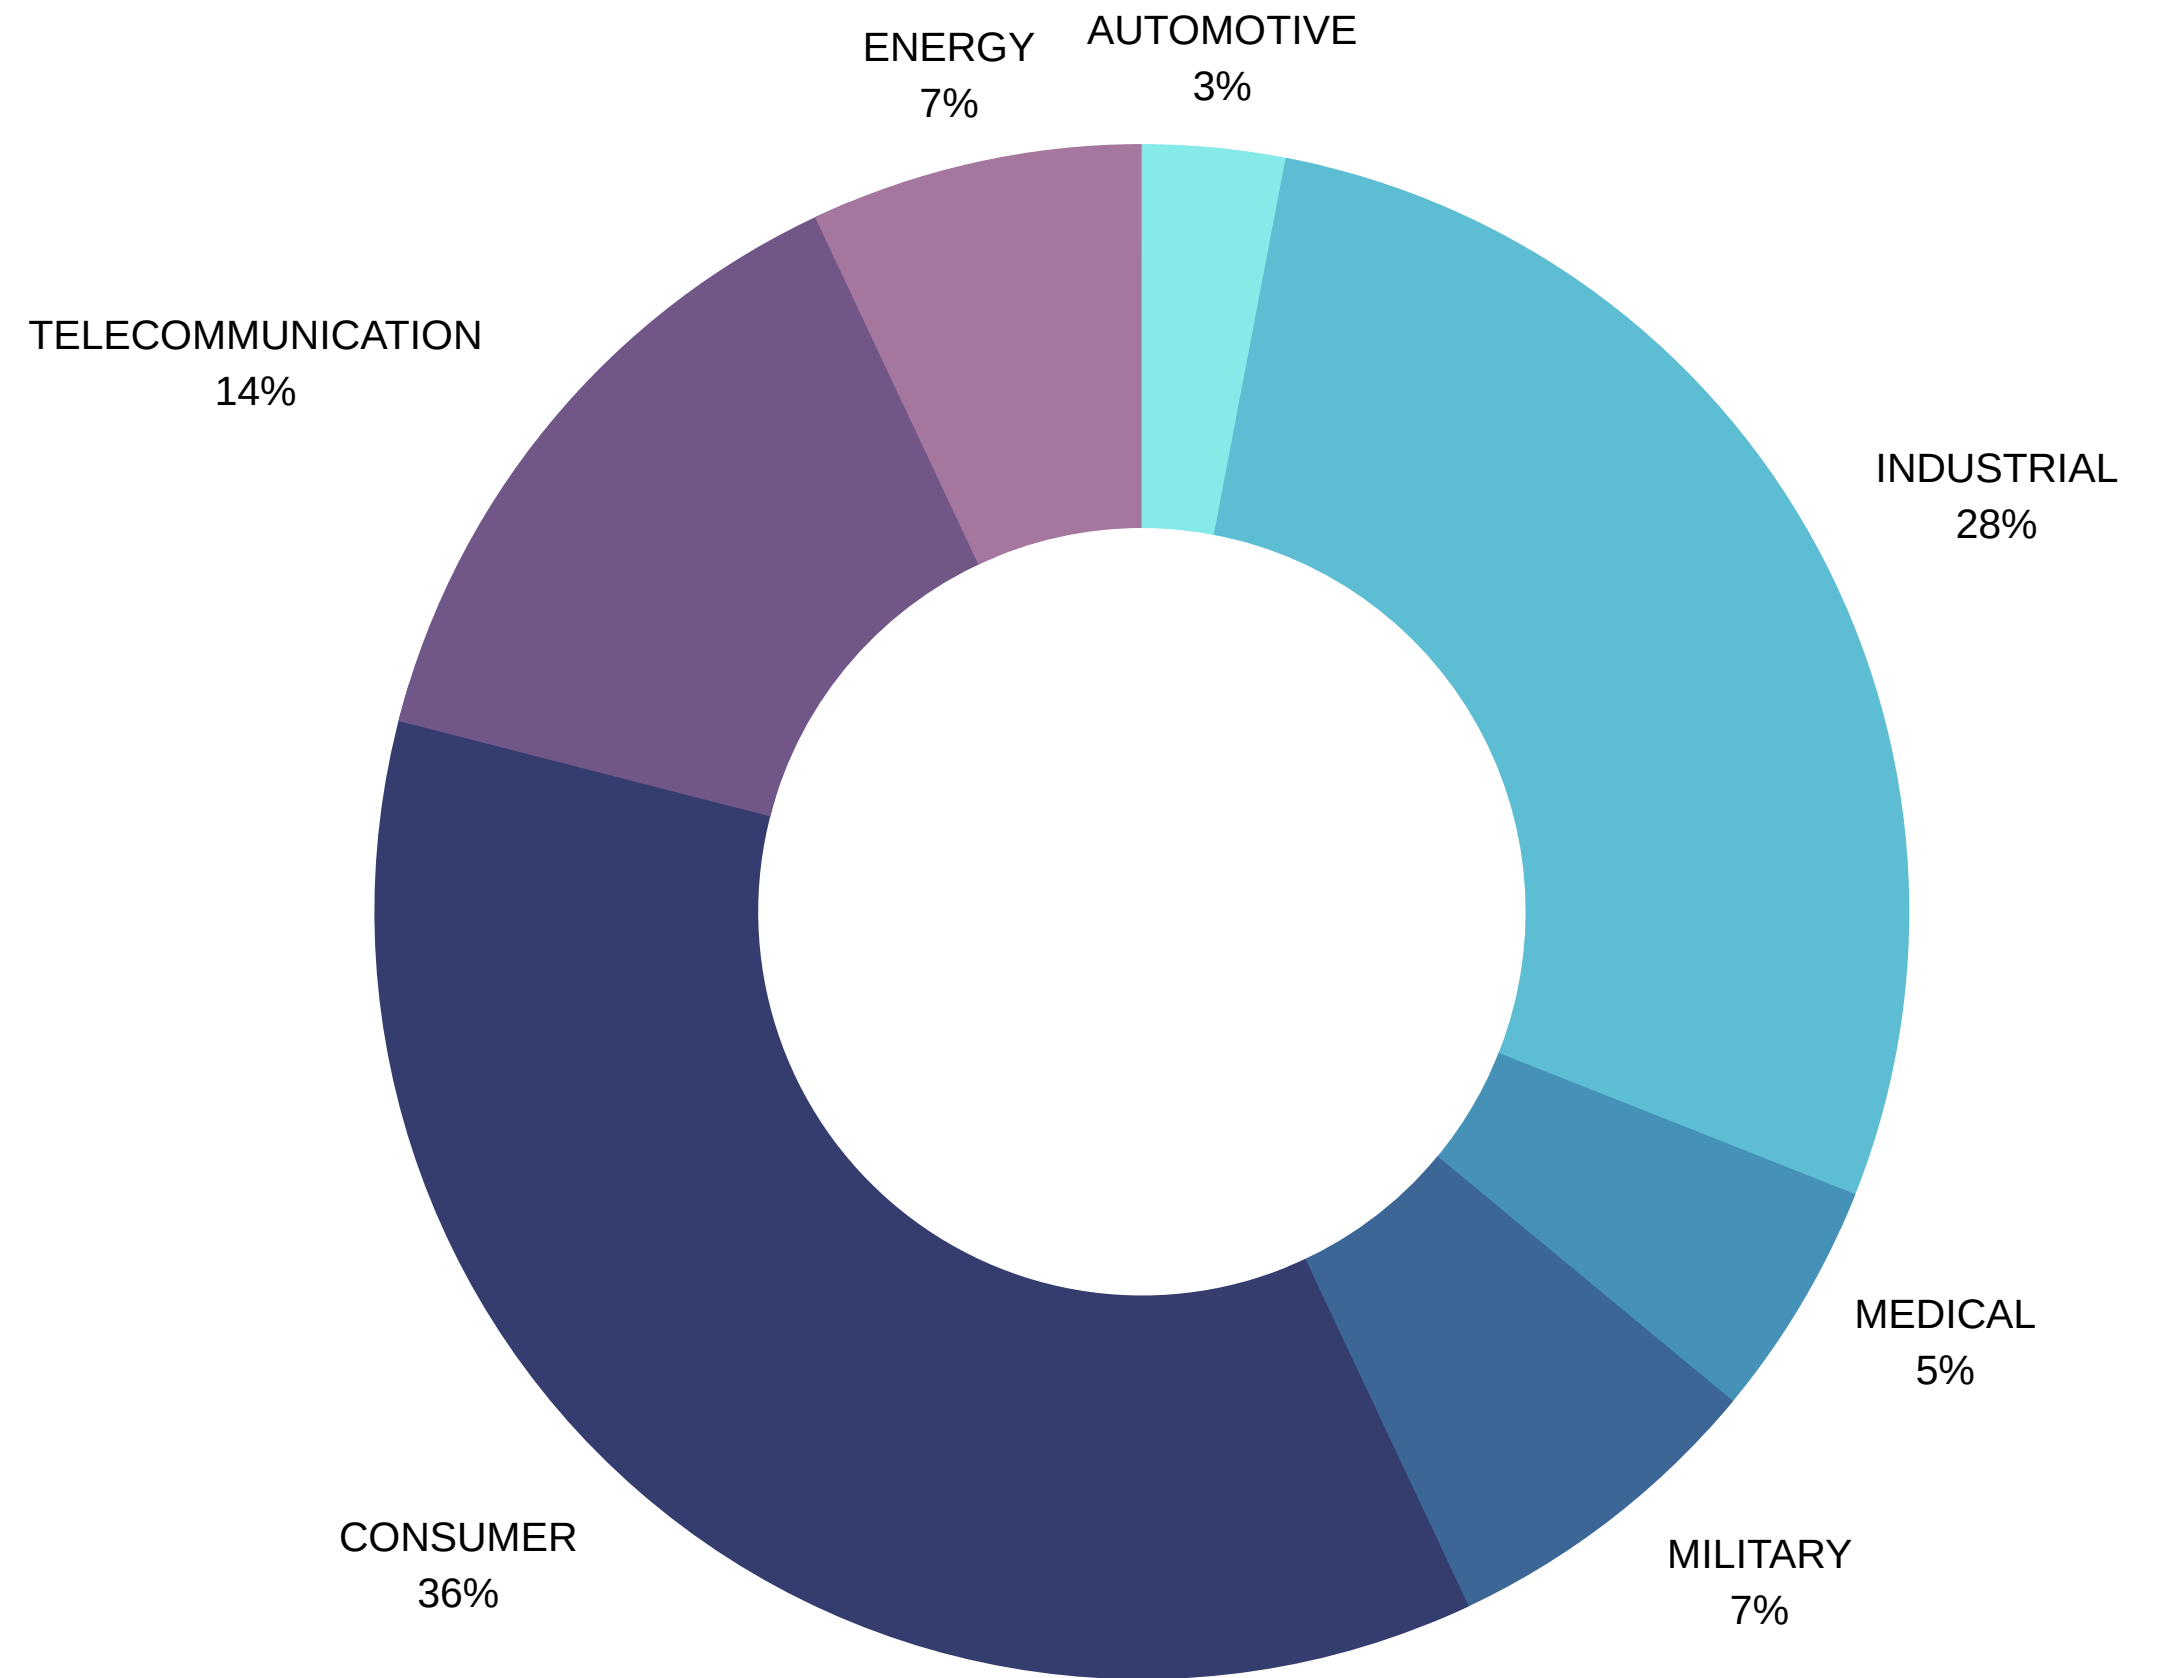

- INDUCTORS & FERRITE BEADS
- CUSTOM TRANSFORMERS
- PLANAR TRANSFORMERS
- LAMINATED TRANSFORMERS
- COMMON MODE CHOKES
- LAN TRANSFORMERS

MARKET SEGMENT

KEY MARKET

-  AUTOMOTIVE
-  INDUSTRIAL
-  MEDICAL
-  MILITARY
-  CONSUMER
-  TELECOMMUNICATION
-  ENERGY

Manufacturing Site : ZhuHai (珠海), China

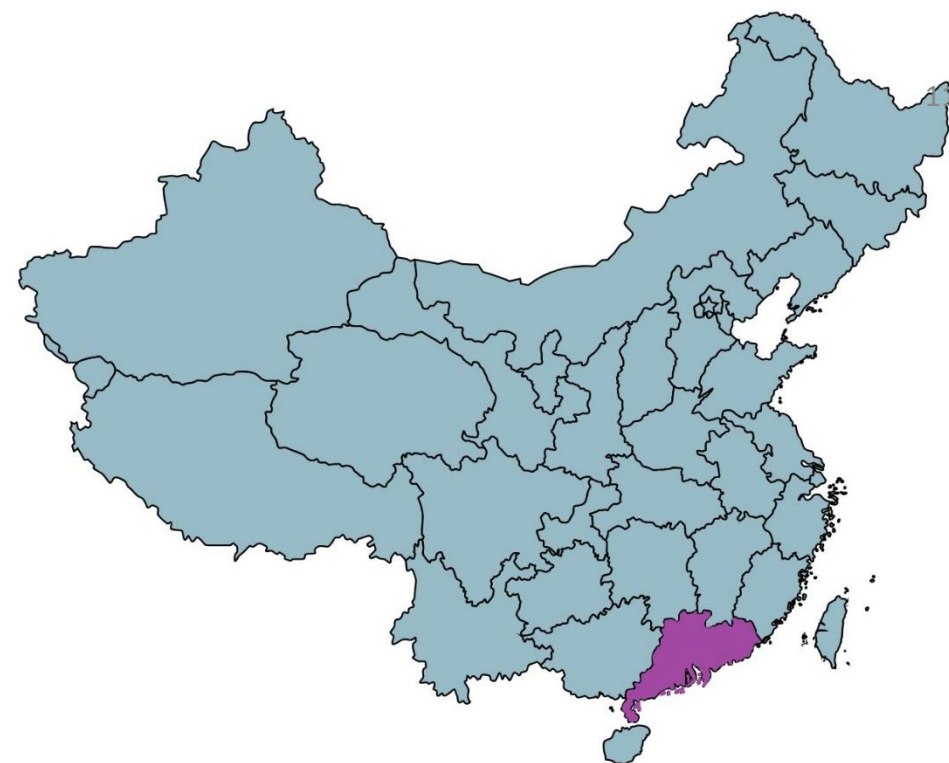

Product : High Frequency and laminated Transformers, Wireless Charging Coils, and Custom Coils.

Manufacturing Location : ZhuHai, Guangdong, China
Certification: ISO 9001, ISO 14001, IATF16949
Number Of Employees: 350

Manufacturing Site : Dong Guan(東莞), China

Product : High Frequency and laminated Transformers, and Custom Coils.

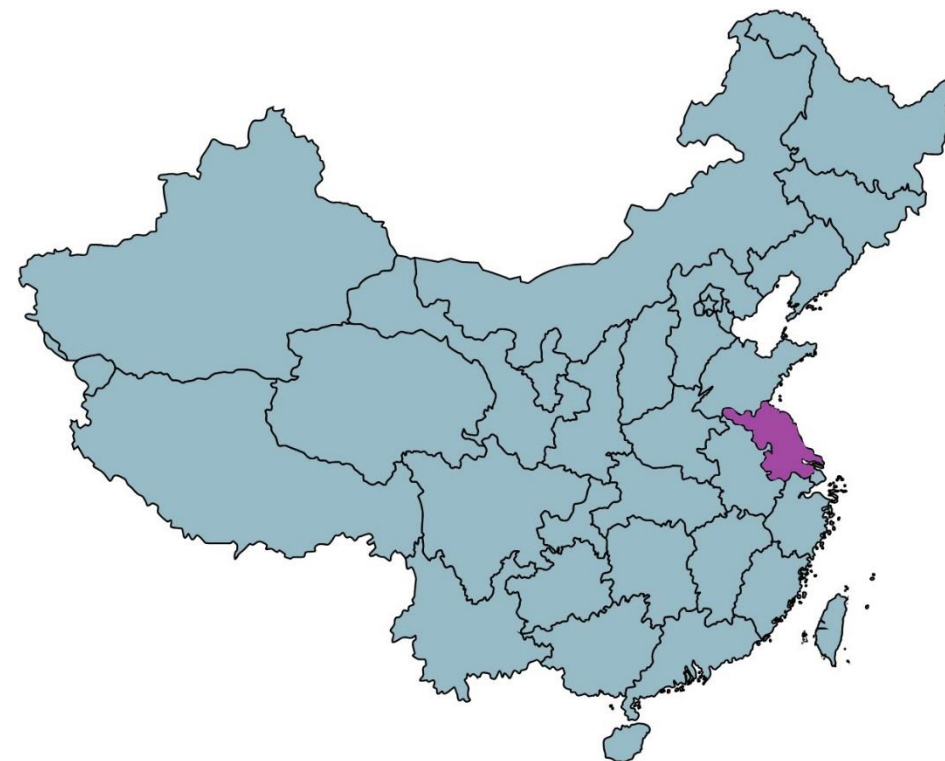

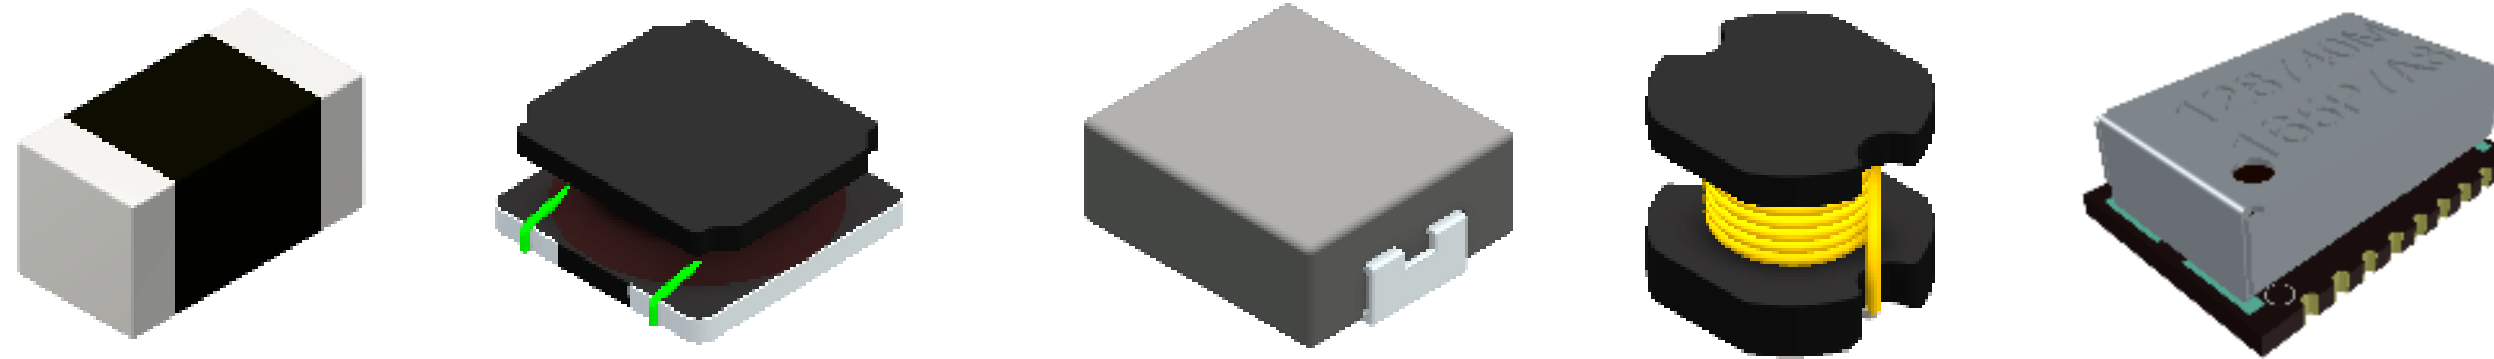

Manufacturer Location : HeYuan, Guangdong, China

Certification : ISO 9001

Number Of Employees : 100

Manufacturing Site : Sihong (泗洪), China

Product : Molded Choke Coil, Inductors, LAN Transformers, and Ferrite Beads

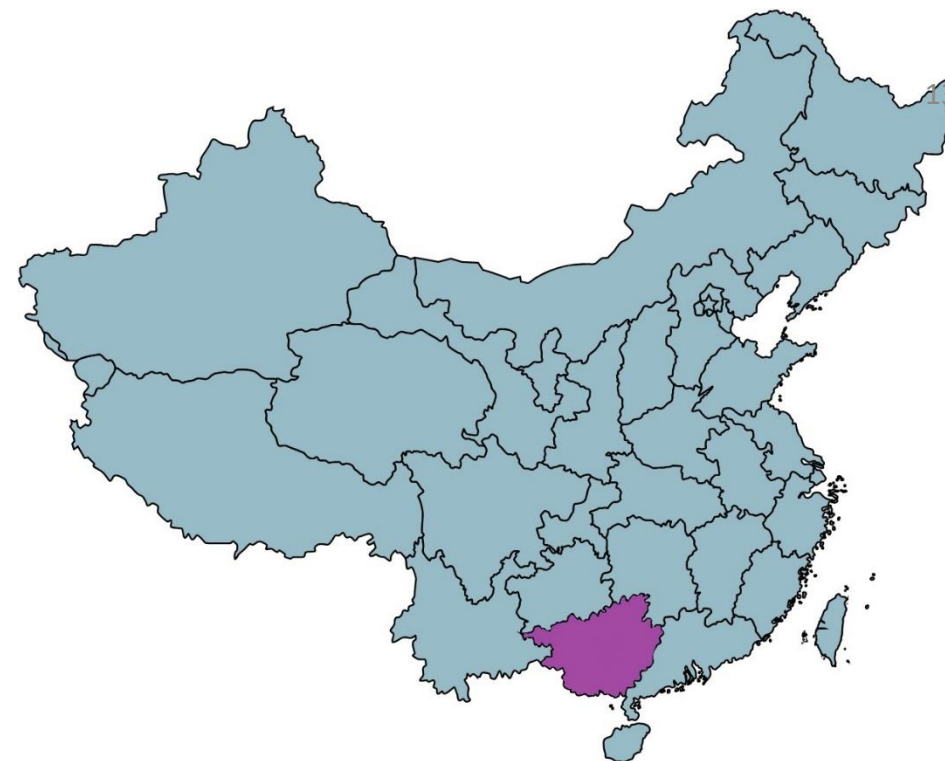

Manufacturing Location : Sihong, Jian Su, China

Certification: ISO 9001, ISO 14001, IATF16949, OHSAS 18001

Number Of Employees: 1300

Manufacturing Site : Gui Ping (桂平), China

Product : Common Mode Inductors, LAN Transformers

Manufacturing Location : Gui Ping, Guang Xi, China

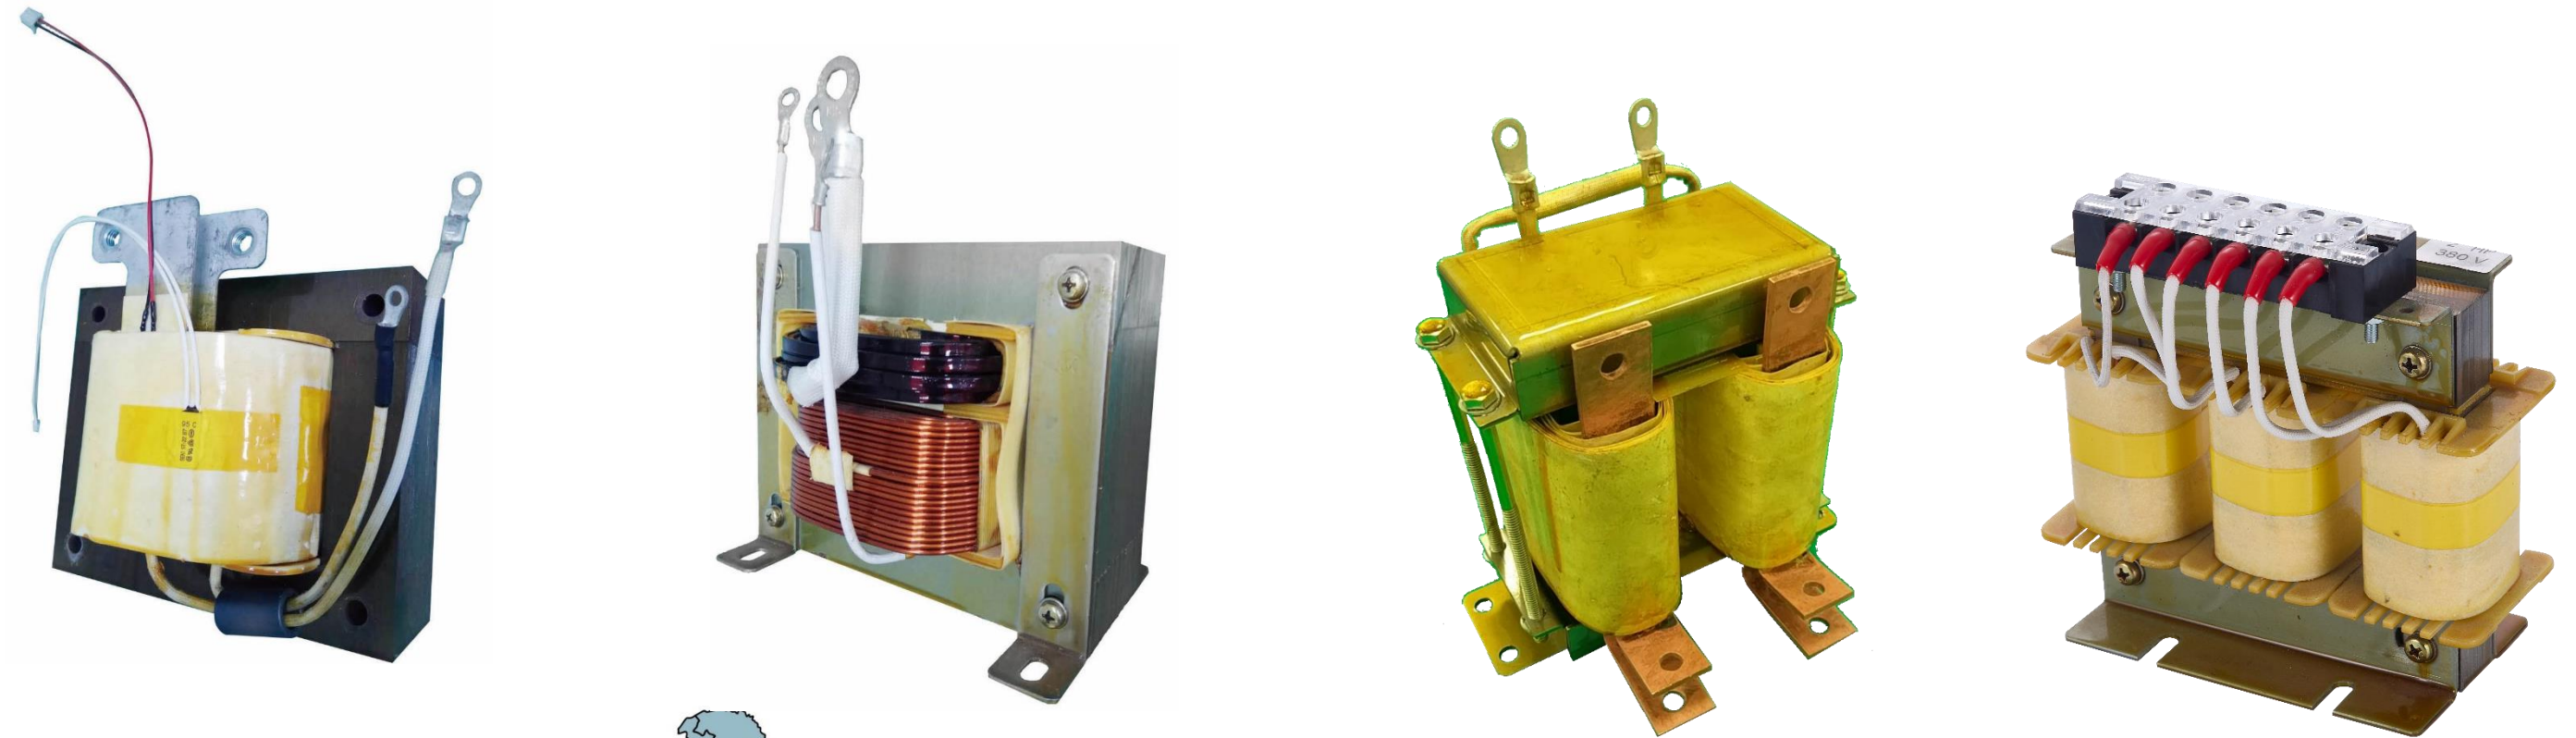

Certification: ISO 9001

Number Of Employees: 120

Manufacturing Site : New Taipei City, (新北市)Taiwan

Product : 3 Phase Transformer, Reactor, Lamination Transformer

Manufacturing Location : New Taipei City, Taiwan

Certification: ISO 9001

Number Of Employees : 50

Manufacturing Site : Yang Mei (楊梅), Taiwan

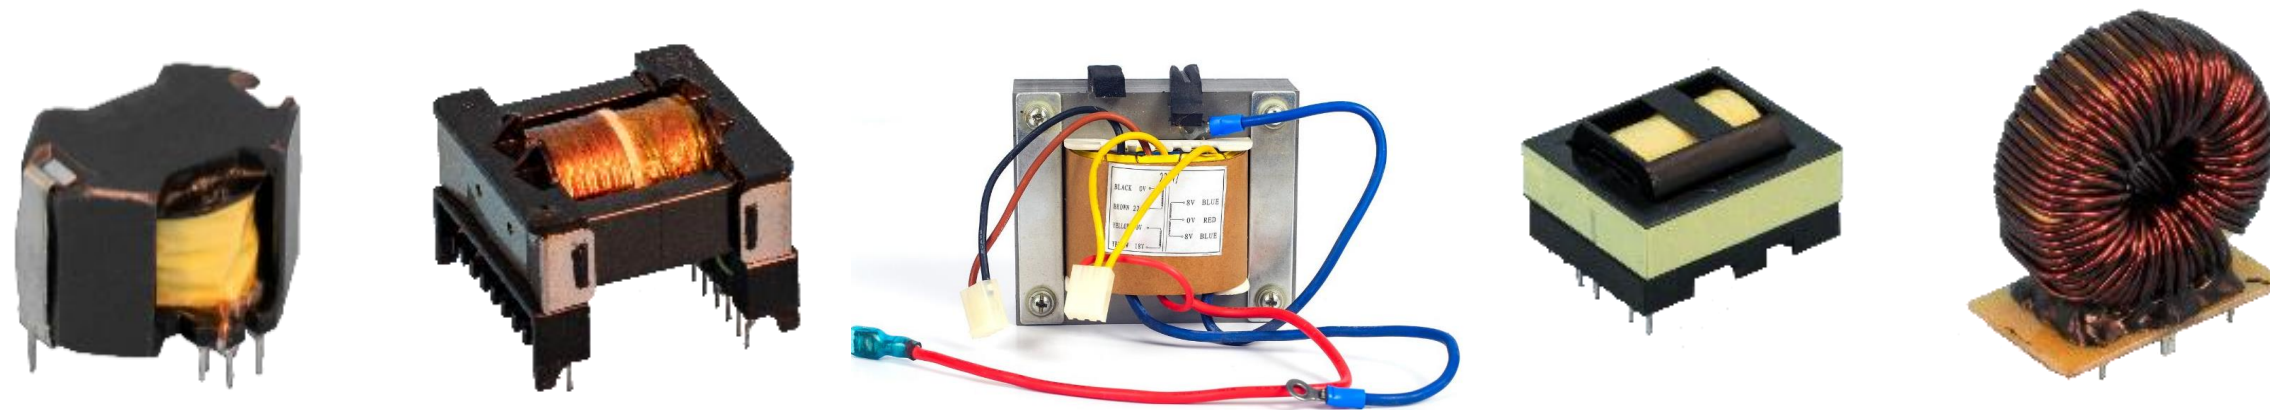

Product : Molded Choke Coil, Inductors, and Ferrite Beads

Manufacturing Location : Yang Mei, New Taipei City, Taiwan
Certification: ISO 9001, ISO 14001, IATF16949, OHSAS 18001
Number Of Employees : 450

Manufacturing Site : Yangon (仰光), Myanmar

Product : High Frequency Transformers, Laminated Transformers and Custom Coils

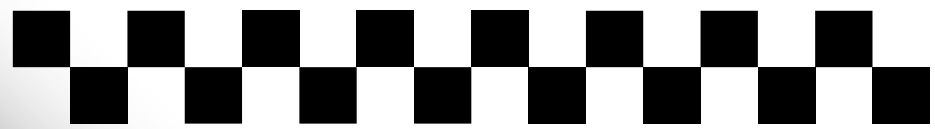

Manufacturing Location : Yangon, Myanmar(Burma)

Certification : ISO 9001, ISO 14001

Number Of Employees : 650
